Re: Backyard Energy Services, Oil Based Drill Cuttings Treatment Process
Pilot Project

Dear Mr. O'Reilly:

I am in receipt of the letter from Newfield Exploration Company in which they desire to continue the pilot project using your drilling solids treatment process for drill pad sites. This letter is to authorize the treatment process for an additional 90 days until April 30th or until a final order issues in PD.201700132.

All terms and conditions set forth in the November 3rd, 2017 letter will remain in affect.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Baker", written over a horizontal line.

*RE: Cause PD. No. 201700132, Backyard Energy Services, LLC, Oil Based Drill
Cutting Treatment Pilot Project, State of Oklahoma*

Dear Mr. Baker;

Please be advised that Newfield Exploration Mid-Con, Inc. (Newfield) understands and agrees it will be the sole operator under a Commission pilot project which will allow Backyard Energy Services, LLC to process Newfield's oil based drill cuttings using the process and requirements outlined in the amended application filed in Cause PD No. 201700132. The results of the processing will be a material that will be used in the construction of Newfield's drill sites.

Newfield further understands the initial pilot project was for a period of ninety (90) days and request an extension for a period of ninety (90) days, or until such time as an order issues if the above referenced cause.

If there are further questions, please do not hesitate to contact Evelyn Smith at (281)674-2521.

Sincerely,

Matt Cooley,
Drilling Manager
