RE: **Permit Extension Request**
Well Name: Stewart 103-2
API: 013-00139 A
Location: 28-05S-07E
County: Bryan

Dear Ms. Virginia Hullinger,

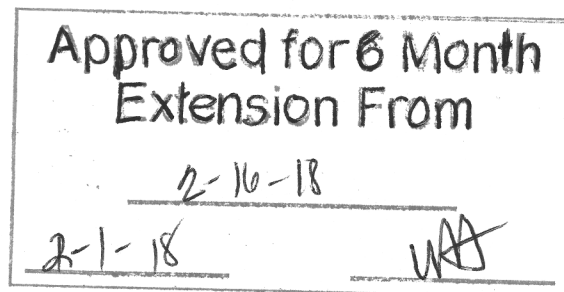

Cimarex Energy Co. respectfully requests a six-month extension on the approved Stewart 103-2 permit. The permit will expire on February 16, 2018. All permit information will remain as originally filed.

We understand the granted extension is for a one-time six-month extension and that once the extension period has lapsed, a new permit with fee must be refiled.

Please contact me if further information is required.

Sincerely,
