A blank 10x10 grid for graphing. The grid is composed of 10 columns and 10 rows of squares. A thick vertical line runs down the center, separating the first five columns from the last five columns. A thick horizontal line runs across the middle, separating the first five rows from the last five rows. The intersection of these two lines is at the center of the grid. The top edge of the grid is labeled with the numbers 1 through 10, corresponding to each column. The left edge of the grid is labeled with the numbers 1 through 10, corresponding to each row.
