

# CREATIVITY IS CALLING

Dear friends,

Recently I've been thinking about the many friendships I've made through our wonderful Stampin' Up!® community, and I've realized something that is very meaningful to me: When we gather to stamp or share a handmade card, we create special bonds that are hard to find anywhere else.

This is especially true at Christmas—just because so many people are feeling the spirit of the season. I hope you'll take advantage of this magical time of year to stamp and share your own handmade cards and gift packaging with others. Never underestimate the power of simple gestures to touch someone's life!

The holidays can also present emotional challenges for some, and simply sharing a handmade card will brighten anyone's day. However, in those cases where extra help is needed, Stampin' Up! wants to lend a hand. To this end, we are donating a portion of each sale of the Nature's Beauty Stamp Set (p. 63) to mental health organizations in your area.

I hope you'll turn to Stampin' Up! to help you touch lives this holiday season. And remember—nurture your own wellness as you watch for those who may need additional love and support. Together we can do our part to share warmth and caring with others and make the season bright!

Merry Christmas!

### STAMPS

Stampin' Up!'s original stamps come in either cling or photopolymer mediums and are designed to be mounted temporarily on reusable clear blocks (AC p. 182) or Stamparatus™ plates (AC p. 184). Red rubber cling stamps are great for detailed images. Transparent photopolymer stamps are ideal for precision placement. Stamp artwork is shown full size unless otherwise noted.
